**Special Meeting with the Assessors**

The Special Meeting with the Assessors for the Town of Fowler was held on the above date with all board members present. Also present were Town Clerk Kelly Harmer, Assessor Robert Fuller, Assessor Robert Andrews, Assessor Doug Turner, Mike Macaulay, Diane Andrews, Vicky Cappellino, Nancy Fuller, Randy Durham, Grant Mitchell and Darren Colton from the Real Property Office in Canton.

Supervisor Cappellino called the meeting to order at 7:06 PM.

Supervisor Cappellino introduced Darren Colton from the Real Property Office in Canton. Mr. Colton was here to assist and to give guidance to the Assessors with the Data Collection. Assessor Robert Fuller showed him a few of the letters that were received back from the public, and the property cards that the Assessors were filling out and he was very impressed with the outcome. He states that this is a good start and it was agreed that they would still need to visit each property.

Assessor Doug Turner was questioned whether he was going to be able to make more time to assist the assessors with the Data Collection, sitting with the roll and also being available to assess the properties when the time comes. He assured everyone that they would be able to work it out.

Councilperson Newvine asked Doug Turner if he was going to be able to take time off from his job for Assessment training. Mr. Colton stated that he had set up Doug with online training and he could take the tests right online as well.

Assessment Review Board Chairman Grant Mitchell presented the board with a letter that he had written to be sent out to the tax payers whose assessments had increased. The letter was to inform the tax payers of the time that the assessors would be available if they had any questions concerning their assessments. The board agreed this was a good idea.

A motion was made by Councilperson Newvine and seconded by Councilperson Bishop to go in to executive session at 8:13 PM. The board returned back from executive session at 9:27 PM.

A motion was made by Councilperson Newvine and seconded by Councilperson Spilman to adjourn the meeting at 9:38 PM.
